**Woodlands Front Entrance Signs:**

- P.J. Faust presented a proposal for improving the landscaping in front of the signs, removing over grown trees and bringing more in to focus the 4 brick columns.
- P.J. presented architectural foam samples for the sign itself, as well as options for accenting the brick portion of our sign.
- The Board requested drafts of what the new sign would look like utilizing The Woodlands and the Tree be submitted via email before the November 17<sup>th</sup> monthly Board meeting.
- The Board opted not to add any accents to the brick sign itself due to cost.
- Linda Hopper then presented proposals from 2 other Companies, however, they only dealt with the sign itself, nothing with the landscaping or improving the overall area around the brick signs.
- Linda also said that the City of Concord's grant decision should be known in a couple of weeks.

Monthly board meeting will be Mon, November 17<sup>th</sup>, at 7:30 at John Mastro's home.
